& Public Enterprises

2024/25 BUDGET TIPS

The Minister of Finance and Public Enterprises is scheduled to present the National Budget in the National Assembly in February 2024.

The Budget will unveil the Government comprehensive strategy for spending, taxation, and borrowing in the upcoming financial year. In light of this significant event, the Minister extends an invitation to all Namibians to actively participate in the preparation of the National Budget by offering their insights and suggestions for consideration by the Ministry.

Your contributions will be highly welcomed and can be submitted via the following channels:
