MIS CONCEPT OVERVIEW

Problem Statement: What challenges does your MIS concept address? *

Solution Overview: Briefly describe your MIS

Key System Features * (e.g., Database management, Application processing, process workflows, Security, Project tracking, Reporting capabilities)

Target Users: Who will use this system? *

NYF POLICY ALIGNMENT

How does your system ensure regional balance and inclusivity? *

How does your system promote transparency and accountability? *

How does your system address the needs of marginalized groups? *

Important Notes

- All entries must be original and developed by the team members.
- Concepts that show a clear understanding of the NYF structure and policies will receive higher marks.
- Teams may be requested to clarify components during the judging phase.
- The intellectual property remains with the Fund.
- All team members must attach certified ID documents along with the application form and the proposal

Due Date: 10th November 2025
